

2023

STUDENT SCHOLARSHIP PROGRAM

THE CONFERENCE

The Georgia Environmental Conference is the largest and most comprehensive environmental education opportunity in Georgia and the Southeast.

THE PROGRAM

The GEC Student Scholarship Program provides students from colleges in Georgia and the Southeast region a forum to present their research on timely environmental issues to a wide range of environmental professionals.

THE OPPORTUNITY

Finalists are invited to attend GEC in Jekyll Island, GA, from August 23-25, 2023. Finalists receive complimentary conference admission and lodging during the conference.

AWARDS

Multiple \$1,000 scholarships will be awarded.

BENEFITS

Take advantage of an unprecedented networking opportunity with environmental professionals from the Southeast and beyond. Many of our scholarship finalists have received job offers as a result of their participation in the conference.
